Women's Bible Study begins on alternating Mondays on Jan. 13

Women will be meeting at Circle every 2nd and 4th Monday night each month for a nine week study of the Beth Moore series, *The Inheritance*. Please sign up on the kiosk in the foyer so we can order the \$5.00 guide-books.

Tuesday Morning Ladies Bible Class

This class meets on Tuesday mornings from 10:30 to 12:00 at Circle. We are studying **Hebrews - Race to Glory** by James Reapsome. All are welcome!

"THE MAIN THING"

1. To **love the Lord** our God with all our heart and with all our soul and with all our mind and with all our strength.

2. To **love our neighbors** as ourselves.

3. To **go and make disciples** of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything Christ has commanded us.

PLEASE FILL OUT A FELLOWSHIP CARD

Everyone is asked to fill out a Fellowship Card, which you will find in the song book rack. If you have questions or comments, feel free to write them on the back of the Fellowship Card, or talk to any member. The cards are picked up at the start of our service or can be placed in an offering plate.

For visitors, more general information is available on bookmarks in the Bibles located in the song book rack.

Gregg's Good News

Last Fall was extremely dry. Skiers have had to go high up on Mt. Hood to find enough snow to pursue their sport. Those of us who are flatlanders, endured an unusual number of rain-free days. Sometimes we got to see blue sky, other days were socked in with fog and an upper air inversion.

I have to laugh to myself, and a little at myself, when I watch the weather report on Portland TV news. On one hand, the weather person frets about the low snow pack and lack of rain. What will this mean for next summer? Will the rivers run much too low? Will the fire season be extreme? It

hasn't been this bad for years!

Now we finally have a week with a little of our familiar "Oregon sunshine." As a matter of fact, the forecasters anticipate that there should even be a typical wet windstorm at the coast over the weekend.

One would expect that news to be met with tears of joy after we've just experienced the "11th plague"—absence of rain! But the weather person is semi-apologizing as he finishes up the forecast of watery weather. "We'll just have to wait until next Monday to see the sun again." And the news anchors chime in, "Hopefully we can make it that long."

It seems we often have an incredibly short memory. Truth be told, the rain is a blessing, not a blemish on the land. But the desires of the moment seem to trump a big picture view.

I wonder if our contentment would increase if our focus shifted from the momentary to the monumental? Paul reveals in Phil. 4 that his contentment is not situation based: Food, affluence, (even weather?) weren't the determining factor. "I can do everything through Him who gives me strength." Just remember: God often works in long time frames.

Ting Yang and children, Lydia and Luke, are back in China for two months. Pray for Ting as she shares Jesus with her family. Keep this family in your prayers for boldness to share their faith and for health and safety in their travels.

CITE has begun and we have six students enrolled at the UCC with two classes. Gregg is doing a great job teaching the Story of the New Testament class and Darren is teaching the History of the Early Church. We also have three or four students taking a Marriage and Family course at the Keizer church. This blessing of teaching accredited biblical classes is growing. Remember to share this opportunity with everyone you know. You never know who needs or would like college credit for an amazing price AND learn about the Bible and theology.

The UCC is also beginning preparations for the Spring Break Mission Trip. If you have things around the house that need fixing and you would like some help talk to Shane or Cory. These guys are the leads in our Service team. We want to be able to serve you and those in need.
