2. To **love our neighbors** as ourselves.
3. To **go and make disciples** of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything Christ has commanded us.

Gregg's Good News

Pam's sister is getting married in Ohio on Friday. We will be arriving there tomorrow for a family reunion and wedding preparation as well as wedding celebration events.

On Wednesday evening, August 12, while the children are enjoying their VBC classes and activities, Jim Knutson will be teaching the Adult class. Throughout the term, we have been focusing on various big picture looks at the Old Testament.

Sunday, August 16, Jason Swick will be preaching in the morning. The final installment of "The Story" video series will be presented in the evening.

As I finished up the II Timothy series on "Passing the Baton to the Next Generation," I invited you to indicate aspects of Christian life that you would either like to mentor someone in or be mentored in.

Given the large response, I've approached the project of matching people on a step by step basis.

I am pleased to report that planning and matching people for mentoring in passing the faith to children is in place. In addition, several match-ups have been made for people wanting to become Christians and other individual connections. Information about people who want to be mentored as teachers has been shared with the Education leaders.

Many of you were interested in learning to feed yourself from Scripture. Sunday PM or afternoon in the Fall will be the likely time for that need to be addressed.

Those who are interested in sharing the gospel with others, and informal preaching: some initial planning is in place.

Progress has been made in many mentoring match-ups. If your area of interest isn't yet organized, don't give up. There is still lots of work to do. You are not being forgotten.

I had an excellent week at Roundlake Christian Camp. The theme for the week was "Back to the Future", and we looked at how the Bible foreshadows baptism and communion starting in Genesis with creation, which involves waters being separated and God creating food. We looked at Exodus and how God allowed the Israelites to walk through the Red Sea on dry ground, and the parallels that has with baptism. We read about Jesus' last Supper and talked about communion.

I was excited to baptize one camper and watch three others be baptized this week. It was awesome to see the spiritual growth all of the campers experienced and to hang out with them this week.

There are two upcoming funerals.
