2. To **love our neighbors** as ourselves.
3. To **go and make disciples** of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything Christ has commanded us.

Gregg's Good News

The arrival of Fall brings with it the start-up of many programs and classes both in the church and in the community. In the paragraphs below, two specific opportunities are described.

When I surveyed the congregation some weeks ago to discern interest in being **mentored**, numerous people indicated a desire to grow in their **ability to pray and feed themselves from Scripture**.

A discipling group focused on this will begin **Sunday, Sept. 27 at 5:00 pm** at the church building. At this point, I expect this "class" will continue for 5-6 weeks. Everyone is invited to attend but those who specifically asked to be mentored in this way should acknowledge this session is designed for them.

Participants will see a simple Bible study method modelled, then they will be expected to implement that model themselves over the weeks to come. In addition, mentors will share insights to their life of prayer. Finally, a description of Bible study tools will be offered.

Support programs at Mid-Valley Fellowship are scheduled to begin in October. Individual support is available year round. Quoting from their information: "Mid-Valley Fellowship is a local Christian organization helping individuals obtain sexual wholeness in the midst of a confused and broken world."

People struggling with pornography, sexual abuse, unwanted homosexual desires OR people with those concerns or questions concerning a family member can find assistance.
