"The Main Thing"

1. To **love the Lord** our God with all our heart and with all our soul and with all our mind and with all our strength.
2. To **love our neighbors** as ourselves.
3. To **go and make disciples** of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything Christ has commanded us.

## Gregg's Good News

Coming on **Saturday, January 23**, is **Men's Day at Eugene Church of Christ**. We will **carpool to arrive at the 9:30 teaching** segment by Randy Willingham, Director of Harding University's Center for Spiritual Leadership.

Lunch follows the presentation, so we need to call with a count in the next few days. **Email Maria at [2020circle@gmail.com](mailto:2020circle@gmail.com) to reserve a place.**

Many guys choose to **attend part of the day**. Each event includes a healthy amount of face time to meet new people and talk with old friends. The other **congregations support our "Men of Iron" event**. Let's return the favor and send a good contingent to theirs.

I am out of the office for a few days. I expect to be back in on Thursday. I am thankful for the following men who are taking responsibility today: Greg Brown is teaching the "Faith" class. Jason Swick is preaching this morning. Tonight at Park Place, Nap Acidera will be leader.

As I consider a focused vision God has in mind for Circle Church of Christ, I distill it with the following words:

**"Changing the World by Communicating Christ: From Corvallis to the Continents."**

**PM PREVIEW TONIGHT: 5:45 pm Singing at Park Place, Nap A. leading**

**The Malawi Project has decided to end the pill container program** in order to shift its focus to other programs. They are instead going to focus on providing food, tractors, clean water, and building a birthing clinic in Malawi.

With the onset of crazy rain and mud, I came across this present day parable.

"A minister and a soap maker went for a walk together. The soap maker said, 'What good is religion? Look at all the trouble and misery in the world. Still here, even after all these years -thousands of years - of teaching about goodness and truth and peace. Still there after all the prayers and sermons and teachings. If religion is good and true, why should this be?' The minister said nothing. They continued walking and noticed a child playing in the gutter. The minister said, 'Look at that child. You say that soap makes people clean, but see the dirt on that youngster. Of what good is soap? With all the soap in the world, over all these years, the child is still filthy. I wonder how effective soap is, after all.' The soap maker protested, 'But, soap cannot do any good unless it is used.' 'Exactly!' replied the minister."

Here at Circle and UCC, we want people who are passionate about something and fully pursuing it in Jesus' name. For example, our student leaders are excited about and fully engaged in service and making friends with those that don't know Jesus. In this new year, how will you engage? What will you be passionate about? If you are looking for ideas let me know and we can discern together.
