"The Main Thing"

1. To **love the Lord** our God with all our heart and with all our soul and with all our mind and with all our strength.
2. To **love our neighbors** as ourselves.

Gregg's Good News

We live in a unique time period. People are living much longer than in previous centuries. As a result, numerous generations are co-existing. Those who devote time to this reality note that people from the various generations typically have their own collection of preferences and distinguishing characteristics. That can create significant conflict in the workplace and other social venues.

In a church setting, we have the unique advantage of foundational beliefs like, "Love one another," and "Honor one another above yourselves." The metaphor of church as body points to the uniqueness of each church member as an asset to the ministry of the church rather than a liability. Those values make it easier to get along rather than being divided by our differences. We can all be thankful that God put us together as a church and consequently, all be fully invested in mission, service and sacrifice.

I belong to a group called "Baby Boomers." Birth dates of this generation are typically cited as 1946-1964. One of the things transpiring for many people in this generation is retirement from work. As you enter or contemplate that life transition, be sure to answer the questions:

1. How will that impact my Christian life?
2. Do I 'retire' or use the new freedom to be even more passionately imitating Jesus?
3. Who, of a younger generation, will I invest in?

Update on Ezra Parker

Ezra's last blood work was NORMAL!!! His enlarged spleen will continue to be monitored and he will have his blood checked every six months as long as no other leukemia symptoms arise. The Parker family is very grateful for the steadfast prayers of the congregation and the miracles God is continuing to work in Ezra.

Imagine going to a conference for three days to listen to one theologian talk about the book of Chronicles and another share about Christian Ethics. This is exactly what Gregg, Josh, and I look forward to doing tomorrow through Wednesday at Camp Yamhill. The Northwest Expositors Seminar is a gathering of mostly preachers, and anyone else excited about the topic. We learn together, fellowship, and encourage one another. I enjoy the connections with other ministers, sharing about UCC, and hearing how God is at work throughout the Northwest. Pray the baby stays inside Amanda until I get back. :)

The church office will be closed on Monday January 18th.
