## Gregg's Good News

### *“Changing the World by Communicating Christ: From Corvallis to the Continents”*

I hope you find it as encouraging as I do to stop and recognize how many people have gone on from Corvallis to be Christians in various corners of the world. Recently, we remembered former members on five continents: Europe, Africa, Asia, Australia and North America. And many of you remembered people spread across the United States living faithfully for God that I had forgotten about. Glory to God!

We often look to the Sermon on the Mount as a great summary of how to live life as Jesus intended. I find it intriguing that in my earliest days as a Christian, I learned the importance of keeping one's fasting a secret. But I never felt any nudge from that teaching that fasting was a practice that I ought to pursue. Yet Matt. 6:16-18 begins with the phrase, “When you fast . . .” Rather than condemning the practice of fasting, Jesus wanted his disciples to go ahead and fast but with proper motives. We fast to free up time and attention for prayer.

I am hoping you will join with me for a season of **Fasting and Prayer during Feb. 15-21**. You may choose to fast from food, media, Facebook, TV or something else for all or part of the week. Let's **devote to prayer around 3 topics**.

1. Many women are pregnant at this time or just had babies. Let us pray that those children and all of our children grow up to be World Changers as they Communicate Christ. I hope you see how this will help God's focus for the world come to fruition.
2. Let us pray that each one of us may find our role/action in the body and do it so Christ is effectively communicated here.
3. Let us pray for God's healing to continually embrace Ezra Parker.

Coming in the future: A series of **Mentoring** sessions focused on the task of **“Raising Children of Faith.”** The start point for the mentoring is Sunday, Feb. 21, just as the week of Fasting and Prayer closes off. The meetings will occur Sundays at 5:00 pm.

Fusion is a popular concept in the culinary world and we have extrapolated that concept into our new adult class that starts this Sunday. Our endeavor is to blend a study of one of the most popular and meaningful Old Testament books, Ecclesiastes, and the always pertinent 10 Commandments. This class should spawn good discussion and growth opportunities. Eric Jensen, Don Patton and Jose Reyes will facilitate this class. A big thanks to my co-teachers Gregg Strawn, Frank Cloutier for their effort in the Faith Class. Thank you for the good attendance we had throughout the term. Please continue to support the new class. For those who did not partake of the last class, this is a new opportunity to join your fellow brothers and sisters. Please be in your seats by 9:30 AM. Thanks!
