# Gregg's Good News

Now, brothers and sisters, I want to remind you of the gospel I preached to you, which you received and on which you have taken your stand. <sup>2</sup>By this gospel you are saved, if you hold firmly to the word I preached to you. Otherwise, you have believed in vain. <sup>3</sup>For what I received I passed on to you as of first importance: that Christ died for our sins according to the Scriptures, <sup>4</sup>that he was buried, that he was raised on the third day according to the Scriptures, <sup>5</sup>and that he appeared to Cephas, and then to the Twelve. (1 Cor. 15:1-5)

That reading of Scripture is so familiar I wouldn't be surprised if you skipped over it as soon as you recognized you've already heard it multiple times. If it's familiar, that's good. If you skipped it, let's slow down for a minute.

Consider the church in Corinth. It was easy for those people to look for the next wonderful insight from the new, well-spoken teacher. For Paul, "Jesus Christ and him crucified" continued to be the message of first importance.

- I point us back to this Scripture and the central truths of the gospel for three reasons.
1. In this hurry up, get ahead, what's the next greatest thing to know or do world—nothing is as important or timely as knowing the answer to THE question. Am I in Christ? So long as you are dead in your sins, you are dead to stay. The death of Jesus is the one event of history that can save you from that fate. Why? "Jesus died for our sins."
  2. You might misread that prior paragraph and conclude that Christianity is essentially all about life at some point in the future. But Jesus' act of saving you from your sins actually revolutionizes your present as well. Without the handcuffs of sin, you are free to become a "risen from the dead" person in the here and now.
  3. Whatever deadly blow life is dealing you today, we who are Christian live with an ever present hope. Resurrection follows death.

**Elders to Meet with Unrepresented Women – Sunday, May 15, 2016**  
The Elders want everyone in Circle Church of Christ to feel welcome to talk with them or to arrange a time to meet if needed. There is, however, a special group of women at Circle who may not feel comfortable doing that or do not have a husband or relative to help represent matters important to them to the Elders. Consequently, their concerns or needs may be unrepresented. To provide a comfortable opportunity to meet with the Elders, Casey and Mark invite all unrepresented women to meet with them on Sunday, May 15, 2016 from 1:30 – 2:30 in the front of the auditorium. There is no agenda. It will simply be an opportunity to meet with the Elders to discuss scripture, matters pertaining to the Church, and to share ideas or concerns. Please contact Casey or Mark if you have any questions.

**Men's Day at Keizer church**  
**Saturday May 21<sup>st</sup>.**  
Teaching in the morning. Golf in the afternoon for those interested. Teaching: Free. Golf: \$40. Gregg will be driving a van for anyone who wants to carpool but he is coming back after the morning session.

Vacation Bible Club starts Wednesday June 15<sup>th</sup>! **Talk to Kim Lopez if you want to help!**

### Mission Trip Reflections By Ryan Rapp

I don't write for the bulletin often but boy do I have a blurb to tell...So I went on the Spring Break Mission Trip to help at the Bay Area Rescue Mission. The mission trip went really well (thank you for your financial support and prayers!) and we reached our fun day in San Francisco and decided to go to Pier 39 and eat at Bubba Gump's. My Dad is EXTREMELY allergic to shrimp so I've never really been around them. We were waiting in Bubba Gump's for a table and it is just filled with shrimp fumes, being a shrimp restaurant. As I'm breathing in these fumes I start to feel a bit woozy and numb with a bit of a lump in my throat. Jason noticed that I wasn't looking well and asked how I was feeling, so I told him about my Dad's shrimp allergy. He took me outside and a few minutes later I was lying on the ground hardly able to move, breath, swallow or talk. The next thing I remember were paramedics getting me to stand up and walk to the elevator to head downstairs to an ambulance. The paramedics in the ambulance cleared me and told me to avoid shellfish and if symptoms return to contact them again. We eventually got lunch somewhere else, did the 7D Experience and went to Ghirardelli Square to get chocolate. I'm doing much better now! See you in 3-6 months when I have another bulletin blurb!
