Humans are creatures of habit. We're getting into the 10:29 Habit! Let's start off our Sunday worship time in our seats and prepared at 10:29. Let's make it a Habit.

Kids' Time will be starting again on September 4th. All leaders and anyone interested in helping with Kids' Time are asked to attend a collaboration and information session on Sunday August 28th. We will be meeting in the basement following Sunday morning worship. Lunch is provided. Materials and schedules will be handed out. Please see Stephanie Watson if you have questions.

Wednesday will be our last meeting of Vacation Bible Club for 2016. There will be a small ceremony followed by cupcakes on the front steps at 8:00 PM. Please stay and visit.

As you can see the Clothing Give Away is starting to take off. We understand that everyone likes to sit in a certain location. Please be patient and kind as we strive to serve our community. Do not pass the tape or move things around. There really is a method to the madness. We thank you for your cooperation. Don't tell anyone but last week when we were all seated close to one another, the singing was nothing short of spectacular. ☺

"The Main Thing"

1. To **love the Lord** our God with all our heart and with all our soul and with all our mind and with all our strength.
2. To **love our neighbors** as ourselves.
3. To **go and make disciples** of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything Christ has commanded us.

Upcoming Events

- August 10th 6:45 PM Last VBC
- August 13th & 17th ALL Hands On Deck
- August 31st Work Day at UCC

Gregg's Good News

There was one day this week that I especially enjoyed watching and listening to things going on at the church building. To begin with, I'm always glad to see many people coming and going. It demonstrates that many church members are active in some kind of ministry. And that was one of those high traffic days.

In addition, I'm not sure if there was something in the water that day. Or maybe in the air. But it seemed that everyone who came into the church building or working at the building was laughing. I even got in on one laugh session with people who were preparing lessons for Kids Time.

Do I ascribe some great lesson to that? Not really. But it certainly conflicts with the notion that Christians are all long-faced, boring or annoying people. Laughing says something entirely different. These Christians have ample joy in their hearts and genuine fun working together.

That may be worth remembering the next time you are in a flat mood. Getting in motion to benefit someone else can be deceptively uplifting.

It may also be worth remembering the next time someone approaches you with a request for you to serve in a church ministry. Granted, most of us live with busyness. But church work done in the presence of other Christians really can be laugh a minute.

As VBC draws to a close, I want to express a giant "Thank You" to the numerous workers. Kim Lopez, I doubly appreciate your weeks of planning, preparation and leadership during the event. And I do know that you and I got to laugh together at least once. ☺

PM PREVIEW TONIGHT: 5:00 pm
Life of Saul: To Jerusalem and Beyond, Part 2. Gregg leading.

Next Sunday morning will be an emphasis on prayer that we have been preparing for months. Come reflect on several high quality nature photographs that illustrate truths of God's word and His attributes. It will call forth worship.

On Wednesday evenings, we have classes for all ages! Children gather at 6:45pm for VBC and adult study begins at 7. Everyone finishes at 8:00pm.

College is starting soon! One way to meet new international students and start developing a relationship, is to meet their personal needs on some level. To do this we will make 10 welcome baskets. The laundry basket will contain small household items donated by the saints at Circle. The baskets will then be delivered by UCC students.

That being said, we will ask for one or two items each week. These items do not have to be new. Used and working is fine. Drop the items at the office, Loretta will take care of it. The requests this week are small desk lamps and pot holders. Thank you all for your participation in this project.
