Gregg's Good News

September always marks the “crank-up” of several aspects of life in this congregation. For us, the “New Year” doesn’t start on Jan.1st, but on Sept. 1.

During Sept., Wednesday evenings were used to sharpen our evangelistic edge and “ReVISION” church life. I trust that you will start using the insights gathered at those presentations in your Life group and in your conversations with people. Listen well for the real concerns people voice, and speak gospel to those needs.

On Sunday nights, we reviewed a few of the Wed. PM points. But the primary purpose was to create 4 blocks of time dedicated to prayer. It seems a foolish exercise to launch so many things in the life of the church if we do not commit them to God and call out in prayer for His work.

Let’s not lose that healthy emphasis on prayer. **For the next few weeks, I plan to offer several points of prayer that we can unite in on various days of the week.**

Monday: Pray for the current and future President and Vice-President to hear and submit to God’s leadership.

Tuesday: Pray that all Senators and Representatives will be shaped by God and legislate in light of His shaping.

Wednesday: Pray for all in law enforcement and all who interact with representatives of the law; that all would have best decision making in every situation and all would be safe.

Thursday: Pray for all men and women in the Armed Forces. Pray that God would provide them strength and protection.

Friday: Pray that this church and every church will deepen commitment to prayer and persist in praying.

“Time spent alone with God is not wasted. It changes us; it changes our surroundings; and every Christian who would live the life that counts and have power for service must take time to pray.” M. E. Andross

“Seeking the King of Peace in a World of Pain” is a seminar we are hosting with CITE on November 18-19. Our speaker will be Terry Christopher, the minister at West Main Church of Christ in Medford, OR. Together we will explore the presence and absence of peace in our individual lives, communities, and society. Our foundation will be the Word of God as we develop practical steps to reconciling our conflicts personally, congregationally, and in our daily life contexts.

Friday Nov 18 @ 7pm - The Theology of Peace
@ 8pm - The Psychology of Peace

Saturday Nov 19 @ 9am - Glorify God/Get the Log out of Your Own Eye
@ 10am - Go and Be Reconciled
@ 11am - Insight Meditation

I hope you make time to come join us and invite your friends. There are fliers in the back to share. Use this as a great opportunity to talk about peace in a time of chaos.
