A Circle Open To You

Update on Sweet Maria
 She is studying the bible with many Chinese students. She loves the fact that they thirst for this knowledge.
 She is having fun teaching at the University and is surprised at the respect and honor she is shown regularly.
 Some of you may remember Hongcai. He was a student at OSU and active at UCC. He did Friend Speak with Jason and was baptized. She was very glad to see him and meet his friend Amy. In the photo is Amy, Meredith (roommate) Maria, and Hongcai.
 She is doing as much traveling and exploring as she can. She will have many stories to tell when she returns to us in a few months.
 She sends her love and Christmas Greetings

"The Main Thing"

1. To **love the Lord** our God with all our heart and with all our soul and with all our mind and with all our strength.
2. To **love our neighbors** as ourselves.
3. To **go and make disciples** of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything Christ has commanded us.

Gregg's Good News

Typically, we have about 10 residents of Park Place join us for singing on the Sunday evening we come to lead worship for them. Last Sunday, I think 11 residents were present.

But there was one major difference compared to many of the gatherings, many members of our Teen group were in attendance. And they led the singing, prayers and Scripture readings.

I very much appreciate the Teen parents and Leaders who made this happen. I also want to say a giant, **“Good Job” to the Teens** themselves for choosing to try something new in terms of service.

After the event, I was talking with one of the women who typically attends our monthly gathering. Her comment was something like, “I think it is so good that these kids from Corvallis are willing to come and do this for us. I’m a little surprised that they would use their time and spend it with us old people.”

I hope that every person present at Park Place on Sunday night hears the appreciation for your effort. I hope that every Teen hears the difference you can make with something as simple as a 30-minute commitment to carry the love of Christ into an assisted living facility. I pray that the church never loses sight of the value in concretely demonstrating God’s love to “the least of these.”

CHALLENGE: On **Sunday, Jan. 1,** New Years Day—after a shortened **5:00 pm** prayer and singing time, let’s share a potluck dinner together. The challenge: **MEN COOK!!!** I think I can make some rolls and soup. How about you?

It is such a blessing to be part of the body of Christ. I don't just mean forgiven at baptism. I'm talking about really being part of God's family, the church. I was reflecting on this recently as I remembered the Bracht and Swick boys playing football in the church parking lot after Sunday night worship. The ages ranged from 1st grade to college and they were having so much fun that only the darkness and not being able to see the football stopped them.

I'm so thankful that my boys were able to attend the Christmas Singalong and Josiah had a reading part. He was encouraged and trained by our teenage boys. I'm thankful for all the people holding Justus and caring for him at different times. I'm thankful for those that are working with Amanda and I to develop our worship.

We have been challenged, supported, and encouraged by the family of God here at Circle and we love serving together. We look forward to who God raises up in 2017 to journey with us and serve in this family and in Corvallis.
