Gregg's Good News

Psalm 8 opens and closes with a statement of praise. "O Lord, our Lord, how majestic is your name in all the earth!"

It wouldn't be surprising if the Psalm was prompted by the Psalmist spending a night outside on a clear evening. He reflects on the majesty of the objects in the night sky. As the Psalmist feels so small compared to the creation, he poses the question: "What is man that you are mindful of him, the son of man that you care for him?" Why is God even aware that he exists? And more than that, why does God care for each and every human?

In part, he answers the question with awareness of man's role in the creation. Humans are created a little lower than the angels—but God has given us intrinsic honor. In addition, he placed us in creation to be stewards over the animals of the field, the birds of the air and beings that inhabit the seas.

Now, pause for a moment to bring this Psalm close to your own life. It reminds us that when we feel small and insignificant, we rest in the assurance that the same God who created us not only knows us, but cares for us. And even more, he depends on us to care for His creation.

With such insights within, it's no wonder the Psalmist praises the name of the Lord. Now that we also share those insights, let's join together this morning to praise the Lord.

Pam and I will be at a Ministry Couples Retreat next weekend. Look forward to Josh preaching.

Thoughts, Questions, Notes

Kindness Walk

Robert F. Smith is a blind man with an incredible heart. He and Renee's brother, Robert, are in the middle of a month-long walk from Long Beach, CA to Las Vegas, NV. They are raising money for a service dog for Renee's client, Tyler Renfro, as well as for the blind and veterans in need. Renee will join them on Nov. 10th. Additionally, they are performing acts of kindness for people they meet along the way. If you are interested in sponsoring Renee's steps or donating to a worthy cause, go to thekindnesswalk.org.

TUESDAY EAT IN OR TAKE OUT

Come to the building on Tuesday, **November 13th**, between 5 and 7pm for dinner! We are having salad, fresh baked rolls, tacos, refried beans, Spanish rice, and dessert. You can eat your meal here or take it home. Suggested donation: \$3/adult, \$1.50/child under 10 years old. Contact Loretta Hartman if you have questions, and see you here next Tuesday!

Thank you to everyone who participated in the 2018 Corvallis Walk 4 Water! We had 9 different organizations participate: University Christian Center, Alpha Tao Omega, Delta Chi, Phi Gamma Delta, Antioch House, House of Charis, Courtyard, Individual Walkers, and, of course, Circle Church of Christ. Out of 83 registered walkers, 31 were from Circle Church of Christ. It was truly a community event! We raised about \$1,600, which will go toward repairing wells in Haiti. 26 people signed up to receive invitations to UCC activities! A special thanks to Emily Jensen for helping with advertising/logistics, and to Lindsay House for helping with check in. Also, thank you to everyone who donated. Finally, thank you Father God for making it possible!

I was amazed this weekend at the mysterious way God works in this world. This was the largest UCC event I've organized to date and it makes no worldly sense. How did we get fraternities and sororities to participate? Was it the best party? Was it a famous speaker? Was it a cool trip to the beach? Nope, we asked them for money. That's right, what people really want to do is give money to help people in Haiti get clean water.

"Has not God made foolish the wisdom of the world? For since in the wisdom of God the world through its wisdom did not know him, God was pleased through the foolishness of what was preached to save those who believe" (1 Cor. 1:20-21).

Thanks again, and I hope to see everyone at Walk 4 Water next year. You can still make a donation by talking to me or visiting: <https://www.hhi.org/walk4water/corvallis-or-2018>.
