# Gregg's Good News

I am not familiar with the lyrics of these songs beyond the titles. But this humorous take on them certainly resonates.

Jesus himself preached, "Enter through the narrow gate. For wide is the gate and broad is the road that leads to destruction, and many enter through it. But small is the gate and narrow the road that leads to life, and only a few find it." Matt. 7:13-14

A person once revealed that when she first was reading Jesus' words for herself, she was utterly shocked to find this idea in the Bible. For her, and most of the people who live around us, the sense is that EVERYONE is just fine with God whether they have faith in Jesus or not.

I invite you to not let that idea many people carry prevent you from pointing others to the narrow road.

"This is what the Lord Almighty says: 'In those days ten people from all languages and nations will take firm hold of one Jew by the hem of his robe and say, "Let us go with you, because we have heard that God is with you"'"'. (Zechariah 8:23).

The prophet Zechariah speaks of a future day of peace and prosperity, when men and women will grow old in peace and people from every nation will flock to Jerusalem, hungry to know the Lord. We live in a similar time. God is currently blessing America with peace and wealth. Now is the time for us to open our hearts and doors to the nations that desperately want to join us and learn from us. It is our responsibility to attribute our success to God and point people to HIM.

This week is international orientation. Every term I am amazed at how many international students are eager to come to church and join our Friendspeak program. Our Woodburn trip is almost full after 2 days and Lord willing our Friendspeak program will also be full by the end of the week. Every year I have to ignore young Chinese men who want to study the Bible because I simply do not have enough time. Much like Zechariah's prophecy, I could easily have 10 Friendspeak Bible studies per week. So if you are a man with an extra 45 minutes each week, please join our Friendspeak program (we currently have a surplus of female tutors and a deficit of male tutors). Thanks, pray for me and our new students!
