"THE MAIN THING"

1. To **love the Lord** our God
with all our heart and with all
our soul and with all our mind
and with all our strength.

2. To **love our neighbors** as
ourselves.

3. To **go and make**
disciples of all nations, baptiz-
ing them in the name of the
Father and of the Son and of
the Holy Spirit, and teaching
them to obey everything
Christ has
commanded us.

Gregg's Good News

Christmas Sing-A-Long practice begins today at 4:30 pm.

The Community Christmas Sing-A-Long event is now less than five weeks away. It is set for Saturday, December 6 at 7:00 pm.

This year, the number of rehearsals and length of rehearsals has been minimized. As a result, please make every effort to join together each Sunday evening rather than waiting to join in.

The goal of having time to sing songs in advance of the event is to function as song leaders from our seats. In addition, it never hurts to dust off a copy of "Hallelujah Chorus" in advance rather than waiting to see if we get lucky and are able to sing it once all of our guests are present.

Tonight, I will have copies of music available. So don't worry if you can't find things from years past. And don't avoid this

opportunity by saying, "Well, I'm not that great of a singer." One asset of having several people present is the fact that we can learn from each other.

Finally, some of you who are choir students have received a personal invitation to participate in this event. The sooner you can join us, the easier it will be for the rest of us.

Don't forget our annual Orphan Sunday offering - Next Sunday.

Help us keep our bathrooms functioning:

Our sewer is aging and our bathrooms are in the basement. The builders were not able to have the sewer pipes start at a high enough elevation for the slope to assist drainage to the street. The aging pipes are getting rough and this will continue to slow paper products. We ask that you do not put anything in the toilets except *necessary* toilet paper and the seat covers. Flushing twice would help as it will add more water to the system and assist delivery to the city lines. Our options to fix the line include putting in a new pipe (smoother = better flow) or running a new line possibly to Circle instead of Kings, both of which would be very expensive. At this point we understand the problem and we think if we all work together we can avoid major construction.

Happy Post Halloween. Now that November is here the Christmas bells are ringing and the pace picks up. We look forward to Thanksgiving, Christmas, New Years and all the good things to come. Before the pace gets too crazy consider now taking a CITE class. It's a sacrifice and takes time, but it is good and worth it.

CITE classes for Winter Term (January - March) will be Christian Family & Biblical Interpretation (Exegesis). But these will only be offered if people take them. Email or text Jason if you would like to take one of these classes and when you would be available. We are developing a schedule soon and we will try to work with your schedule.

Today: Special Collection for Building Entrance Remodeling Project

The Elders have been leading an effort to come up with a plan to replace the overhang and to improve overall access to the building. There are 3 copies of the plans in Room 6 of the Education Wing. We now have a bid of \$42,000. This is a lot of money! Please understand that our building is aging and from time to time we need to make repairs and improvements. Currently, the plan is to do this remodel in the spring of 2015. It will take about 6 weeks to complete. We hope to raise between \$5,000 and \$10,000, between now and then through special contributions. Please be praying about what you can give. Today, November 2 we will have a special contribution to provide funds for the remodel. The results will determine the need for possible additional offerings. Thank you for your thoughtful consideration of this request.
