Please continue to pray for our rally.

We need *your* help to make this event the best in the valley. We still need volunteers to help with food, housing, travel (to houses), and chaperoning. Email 2020circle@gmail.com and let us know how you can assist.

Registration is open NOW: 2020circle.com/rally-in-the-valley

"THE MAIN THING"

1. To **love the Lord** our God with all our heart and with all our soul and with all our mind and with all our strength.
2. To **love our neighbors** as ourselves.
3. To **go and make disciples** of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything Christ has commanded us.

PLEASE FILL OUT A FELLOWSHIP CARD

Everyone is asked to fill out a Fellowship Card, which you will find in the song book rack. If you have questions or comments, feel free to write them on the back of the Fellowship Card, or talk to any member. The cards are picked up at the start of our service or can be placed in an offering plate.

For visitors, more general information is available on bookmarks in the Bibles located in the song book rack.

Gregg's Good News

Have you ever had one of those days when you just felt overwhelmed? You've taken your body to work yet one more time, but the lingering illness makes your mind feel like a November fog that just won't burn off. You're trying to stay motivated to tackle the "to do" list, but your eyes want to check the clock once again to see if you're any closer to heading home.

You tried to respond to events outside your control so that tax time wouldn't be difficult, but now you realize you owe thousands by April

15. It's not the first time you've owed something, but the slack in the budget that usually was there went down the drain last month with the unexpected plumbing problem. Oh, and the larger house payment due to an insufficient escrow account. Did I mention the changes in insurance?

You've tried to figure out that person who continues to catch you by surprise. It ought to be easy to get along, but you can't figure out what chemical reaction creates an explosion each time you have to collaborate.

And you don't even begin to ask how all the technology in your life knows it's absolutely the wrong time to misbehave. So, it all misbehaves.

You open your Bible and read again, "31 So do not worry, saying, 'What shall we eat?' or 'What shall we drink?' or

'What shall we wear?'" 32 For the pagans run after all these things, and your heavenly Father knows that you need them. 33 But seek first his kingdom and his righteousness, and all these things will be given to you as well. 34 Therefore do not worry about tomorrow, for tomorrow will worry about itself. Each day has enough trouble of its own." (Matt. 6:31-34)

At first you protest, "It's great to say, 'Just live today,' but I can't solve these problems in one day!" And a subtle internal voice whispers, "You don't have to. Even if it turns out to be many days, the God who knows what you need will solve things at the perfect time. You just need to rest in that truth today."
