## "The Main Thing"

- 1. To love the Lord our God with all our heart and with all our soul and with all our mind and with all our strength.
- 2. To **love our neighbors** as ourselves.
- 3. To go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything Christ has commanded us.

# Gregg's

Yesterday I told Alan Brooks, "It has really been rainy and gray for a lot of days now. I need to see the sun." His response: "Well, I'm pretty sure that the sun is still up above the clouds." I liked that uplifting comment.

There are seasons of life that feel like the drip, drip, drip of adversity just won't stop. For whatever reason, the trial lasts longer than is easy to bear.

However, if you stop and remember that the Son is still shining even if life's issues are obscuring Him at the moment, it is easier to put one foot in front of the other for one more day. And it is reasonable to do that in light of the awareness that the God of the universe is still watching over us even if conditions have clouded our sight.

I Cor. 10:13 reminds us, "No temptation has seized you except what is common to man. And God is faithful; he will not let you be tempted beyond what you can bear. But when you are tempted, he will also provide a way out so that you can stand up under it."

It's another rainy day, but I am confident that up above the cloud layer, the sun is shining as it is supposed to do. If you are facing a season of dark experiences, remain confident that the Son is still shining as He is supposed to do. And if you need some help seeing that, check in with one of God's children. Sometimes it helps to see the light through a person who is up close, walking beside you.

#### **SAVE THE DATE:**

Coming on Saturday, January 23, is a Men's Day at Eugene Church of Christ.

More details to come. Many guys choose to attend part of the day even if the sports activity doesn't interest them. The other congregations support our event. Let's return the favor and send a good contingent to theirs.

This course engages these questions as we explore the foundations for moral decision making and ethical theory in Western Civilization and Christianity. We will also study significant ethical issues in contemporary society including: biotechnology, beginning and ending life, punishment, war and peace, gender roles, marriage, social justice, environmental ethics, animal rights, and cyber ethics.

The class meets on Tuesdays and Thursdays from 5:15-7:15pm (first class is January 5th). The cost is only \$30 for credit or \$50 to audit.
