# Gregg's **Good News**

What if Christians intentionally gathered in a public place to sing and share a meal? What if people of God sought to mix with neighbors on their neighbors' turf? More to come in the weeks ahead.

PM PREVIEW TONIGHT: 5:45 pm Singing at Park Place led by Gregg Strawn

And they are gone. Finals are over and the students have left town. They are gone for the summer. Traffic is better and the town seems peaceful and resting. Taking time to rest is biblical. It's following the way of Jesus. It seems that it was Jesus' practice to work hard and then take a break. He would retreat early in the morning to spend time with God. He would retreat into the mountains to get away and rest with God and his disciples. He would move from town to town with the time between as times of rest and encouragement. Of processing what has happened and preparing for what is next. It's a rhythm of work and being fruitful followed by pruning and resting. The rest is a time to abide with God. To reconnect with Him and remember His purposes. To release your desires and look to Him for life, peace, and joy.

UCC does this during the summer. We rest from Tuesday night FUSE. We rest from weekend activities almost every weekend. In its place we abide with God. We see opportunities with making friends with international students. We enjoy the fellowship and connections with incoming freshmen. We listen to where God wants us to go next year. We release all our cares and rest in God's presence. We wait expectantly for what God will lead us to do next. We follow our older brother Jesus to the mountain to rest so we are ready to bear fruit when the time comes.
