Family Newsletter

June was busy. We had a new baby in the congregation, a very ill member, and a need for an emergency move. Circle Church Family stepped up time and again. People joyfully helped these families. Services such as these don't go unnoticed by members or non-Christians.

The way we live separates us from the rest of the world.

"The Main Thing"

1. To love the Lord our God with all our heart and with all our soul and with all our mind and with all our strength.

2. To love our neighbors as ourselves. 3. To go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything Christ has commanded us.

Upcoming Events

July 5th-9th: Challenge Camp at Camp Yamhill

July 6th, 6:45pm; VBC

July 10th, 3:30pm: Deacons Meeting

Gregg's Good News

There are moments when I am especially cheered by the actions of church members. Here are three examples from the past week.

Sunday evening, we had a larger group than usual gathering at Cloverland Park for singing, Bible study and Lord's Supper. I appreciate the flexible attitude that allowed us to take the church outside the building and be the church at worship in a public setting. In addition to onlookers casting their gaze our direction, I observed some prolonged conversations and people of different ages playing together.

Early in the week, we learned of a need a woman had with moving her furniture. Several people responded with willingness to help. And again, your flexible attitude was a great asset in what turned out to be a fluid situation.

Wednesday afternoon, the opportunity to make progress on replacing our P. A. system occurred unexpectedly. As I saw in the previous two examples, two key players made themselves available for a late afternoon meeting bringing their insights and cooperative spirit.

Clearly, the church stands on solid ground. We know our God is a rock. The gospel of Jesus' death, burial and resurrection is so timeless that not even an angel from heaven can change it. Loving God and loving neighbor are timeless commandments. And Jesus' commission to make disciples leads us to emphasize "Changing the World by Communicating Christ: From Corvallis to the Continents." A solid foundation is crucial.

From that foundation, we launch to DO. I am thankful that this group of servants understands that doing effectively comes when Christians are willing to flex to fit the situation. Good job, church!
