Thomas' Takeaways

The Benefit of Knowledge

I love my office here at Circle. With the attached bathroom and the newly added coffee station, it has ALMOST everything I need (A refrigerator would make it absolutely perfect). I love the natural light from the wall of windows, it makes it so easy to read my Bible and study and prepare for my sermons. Plus, there is something about walking into the church building every day that gets me in the mood to spend time with God. But, sometimes, I feel a deep connection with God when I am not at the building.

I enjoy coffee, and I really enjoy reading my Bible at a coffee shop. My office is super quiet, and a great place to do an intensive study, or to prepare notes, but when I read in a social setting, like a coffee shop, I have a totally different experience with God while I am reading my Bible. Not to mention the added benefit the coffee shop offers of interacting with people who see me reading my Bible and initiate a conversation.

Sometimes, I have noticed, I don't even have to go anywhere to connect with God. I have young children, and occasionally they will wake up in the middle of the night and it will take a while for them to go back to sleep. While I am lying down with them waiting for them to fall asleep, I can take advantage of some prayer time by praying for the kids as they grow up. A dark house at 2 in the morning offers a quiet place to pray and meditate.

Don't get me wrong here. Churches ARE meant for praising God, spending time in His word, praying and contemplating Scripture. BUT, these things can be done anywhere! If you live-stream Sunday Morning Worship, you can experience the Body of Christ anywhere! I encourage you, the next time you are in a coffee shop, bring your Bible. The next time you are stuck in traffic, tune into the FISH and listen to songs about God and what He has done in other peoples' lives. The next time you find yourself awake in the middle of the night, pray.

Ministry Meeting, 10/13, 3pm

If you are a Ministry Leader, please mark this date on your calendar and make sure to come to this important meeting!

A goal that our student leaders, Emily Jensen and Lindsay House, share with me is connecting the college students who come to UCC with people here at Circle Church of Christ. We want the students to feel like they have a home here at Circle, rather than just at the University Christian Center.

It was with this goal in mind that Chris Jensen suggested we bring back a program we haven't done for a while: "Adopt A Student".

Connection is the key to "adopt-a-student". We believe that building relationships with members of the church is an effective way to help college students grow spiritually. The great thing about "adopting" a student is that it doesn't have to cost a cent! What does it cost?

A smile and friendly Hello, a text message asking how things are going or how you can pray for your student, an occasional cup of coffee, lunch, anything you want. "Adoptions" begin in October and run through finals week in June.

Church Members: If you would like more info on the Adopt-a-Student program, please contact Chris Jensen: eccejensen@comcast.net.

Get Your Picture Taken

In order to make our photo board look as great as the rest of the foyer, we would like everyone to have the same background in their picture. Please see Denise Eastridge and Ryan Bracht to get your photo taken!
