easy thing, so please pray for them to have comfort and peace.

We pray for all of our chronic shut-ins: Phil & Linda Weimer, Paul & Donna Johnson, and Betty Carter.

Thomas' Takeaways

Courageous

Today’s bulletin article has been guest written by Jasmine Womack and includes some tangible things we can do, as Christians, to rise above the racism that is still so prevalent in our society. This article is prayerfully written and I encourage everyone to read and consider its truths. Thank you Jasmine for taking the time to write this article!

“Better to be patient than powerful; Better to have self-control than to conquer a city. We may throw the dice, but the Lord determines how they fall.” (Proverbs 16:32-33)

Have you ever desired power? Most of us would say no, because we associate power with bad guys like Hitler and Emperor Palpatine. But have you ever wished you could tell someone to change and they would automatically give up their faults? Have you ever wished you could snap your fingers and your friend would become a believer? Have you ever wished you could write your relative a letter and she would immediately stop dating that guy who is a domineering non-Christian? I have these thoughts every day (therefore, I desire power every day). But this proverb teaches us that patience and self-control are more valuable than power. All we can do is sew the seed of the word of God, make sure it is growing in our own lives, and wait for growth from God. In this time of Coronavirus, patience and self-control are more valuable than ever.

We Are Here For You

We continue to appreciate the generosity in giving from church members. We are a family, and if you need help or know someone who needs help financially please do not hesitate to make this known to the Elders, Ministers, or Maria.
