

RECONNECT *through* Life Groups

BEGINNING OCTOBER 7

As pandemic life continues, we want life groups to be a space for you to stay connected and encouraged. This fall, we will facilitate smaller groups that consist of two or three households, meeting together to check-in and spend a little time together each week.

See the details below to get signed up!

WHAT

Connection with one or two other households. Meet weekly, remotely or in person, to talk about everyday life, joys and challenges, and how to stay faithful during this unusual season of life.

WHO

YOU! Our current lifestyles can be isolating; don't be discouraged. You are included, loved and not alone.

WHERE

With small groups, you can choose to meet via Zoom or in person, based on the comfort level of both households.

To sign up, send an email to
strawn_kellie@yahoo.com, and tell us who you
have partnered with.
