New Sunday Morning Bible Class

Begins June 6th, 9:30am

A huge thanks to Eric B., Josh S., and John B. for teaching the Sermon on the Mount. Well done! June 6th will start our new adult class. We will use the book "Praying the Names of God" by Ann Spangler. Mark Johnson, Bill McCaughan and Dane McKinney will be our teachers. This class will look at the various names and titles of God in the Bible. Starting with Elohim, God, Mighty Creator and ending with Abba, Father, we will look at 26 names and titles of God. These names and titles give us more understanding about who God is and His personality. Please join us! Casey, for Adult Education.

"The Main Thing"

1. To **love the Lord** our God with all our heart and with all our soul and with all our mind and with all our strength.
2. To **love our neighbors** as ourselves.
3. To **go and make disciples** of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything Christ has commanded us.

Thomas' Takeaways

“The Personalness of God”

The modern scientist has lost God amid the wonders of His world; we Christians are in real danger of losing God amid the wonders of His Word. We have almost forgotten that God is a Person and, as such, can be cultivated as any person can. It is inherent in personality to be able to know other personalities, but full knowledge of one personality by another cannot be achieved in one encounter. It is only after long and loving mental intercourse that the full possibilities of both can be explored. All social intercourse between human beings is a response of personality to personality, grading upward from the most casual brush between man and man to the fullest, most intimate communion of which the human soul is capable. Religion, so far as it is genuine, is in essence the response of created personalities to the Creating Personality, God. "This is life eternal, that they might know thee the only true God, and Jesus Christ, whom thou hast sent."

God is a Person, and in the deep of His mighty nature He thinks, wills, enjoys, feels, loves, desires and suffers as any other person may. In making Himself known to us He stays by the familiar pattern of personality. He communicates with us through the avenues of our minds, our wills and our emotions. The continuous and unembarrassed interchange of love and thought between God and the soul of the redeemed man is the throbbing heart of New Testament religion. This intercourse between God and the soul is known to us in conscious personal awareness. It is personal: that is, it does not come through the body of believers, as such, but is known to the individual, and to the body through the individuals which compose it. And it is conscious: that is, it does not stay below the threshold of consciousness and work there unknown to the soul (as, for instance, infant baptism is thought by some to do), but comes within the field of awareness where the man can "know" it as he knows any other fact of experience.

You and I are in little (our sins excepted) what God is in large. Being made in His image we have within us the capacity to know Him. In our sins we lack only the power. The moment the Spirit has quickened us to life in regeneration our whole being senses its kinship to God and leaps up in joyous recognition. That is the heavenly birth without which we cannot see the Kingdom of God. It is, however, not an end but an inception, for now begins the glorious pursuit, the heart's happy exploration of the infinite riches of the Godhead. That is where we begin, I say, but where we stop no man has yet discovered, for there is in the awful and mysterious depths of the Triune God neither limit nor end.

“And we know that in all things God works for the good of those who love him, who have been called according to his purpose(Romans 8:28).”

I’ve been in quarantine all week with Covid-19 and poison oak, but you know what? God has used this for good. A lot of positives have come out of this. First, thank you for everyone who called, texted and offered to bring me stuff. You showed me the love of Christ by offering to help. This helped me realize how blessed I am. Second, thanks to the students who stepped up and lead Tuesday Devo without me this week. Third, thanks to Lindsay and Maria. Lindsay House and Maria both picked up many of my weekly duties—there are some things that must be done in person and these two ladies really helped me out. Finally, I’ve had time to read books and spend some much needed time in prayer. This has refilled my tank and oddly, though I have Covid-19 and poison oak, I feel better than I have in two years.
