Father's Day

Like Mother's Day, often I like to preface anything said about this day by acknowledging that this is also not a happy day for everyone. In fact, this is probably less happy than Mother's Day. Consider these stats:

- 1 in 4 kids (25%) live without a father in the home
- 33% of children (24.7 million) live without the presence of their biological father
- 39% (17.7 million) of students in grades 1-12 live without the presence of their biological father
- 87.7% of post-war children grew up with 2 married parents in the home. As of 2012, 68.1% of children will grow up with that intact family (2012, *so I guarantee that's worse*)
- 63% of youth suicides are from fatherless homes (U.S. Dept. Of Health/Census) – 5 times the average.
- 90% of all homeless and runaway children are from fatherless homes – 32 times the average.
- 85% of all children who show behavior disorders come from fatherless homes – 20 times the average. (CDC)
- 80% of rapists with anger problems come from fatherless homes –14x avg. (Justice & Behavior, Vol. 14, p. 403-26)
- 71% of all high school dropouts come from fatherless homes – 9x avg. (National Principals Association Report)

A well-known preacher in the Northeast, upon retiring from the ministry at 60 prayed daily for a new call upon his life. He started speaking, and in the Q & A session he quickly realized a large majority of those asking questions were young people, and they were seeking answers that usually would be asked of a father. He's made it the work of the rest of his life to be a father to young people. Such a calling would not be an unworthwhile work of the church, to show the world who THE Father, of love, grace, mercy, courage, and faith, is. Fatherlessness has been an epidemic long before COVID and will be for much longer. Let's start the cure today. Grace to you.

Post Covid-19 Boom:

I was pretty worried at the beginning of this year that our group was going to disappear due to Covid-19. However, God proved me wrong. Pretty much all we were allowed to do was Bible studies in groups of 6. So for most of the year we met in two groups, one up stairs and one downstairs, for a maximum of 12. This whole year I prayed that God would send us just the right number of students. This Friday was the first day we could go masks off and have more than 6 students in the same room, so we planned a year end Barbecue. We had 20 people show up! If this had happened 1 day earlier I would have had to split the group in half and send 7 people home. I think this was God teaching me that he is in control. Each week he was sending us the number of students we could legally handle. Thanks to Lindsay House for planning this year end Barbecue.
