## From The Desk Of Renee Gunselman

Church +Deposits=Family

Ed and I have been at Circle since Joel was 2 years old. He is now 33 and in all these years Circle has become our family. It's not even the 30 years of longevity that has made you family but it's the people and the things you have done to support our family through many hardships and blessed times.

Our church family has gone through some transitional times in the past 3 years and my only hope is that when our church has had its ups and downs that I have reached out and been the support and served in a way that has helped our church family feel loved and supported just as they loved and supported us in times that we've had in the past.

I have been attending a Bible study in Lebanon for many weeks and we've been talking about the importance of having a church life. It has caused me to ponder whether or not myself and the people of my church have been faithful during trying times and in the past.

It has been pointed out that our church is more like a bank the more we put into it the more interest we gain. Have we been supportive or critical of our church? I have come to realize that if I don't like something about it the best thing, I can do is get involved in some way so I can help change it or at least understand it better. I'm still learning in this process. Relacing our grumbling with service is the ideal we can strive for. My desire and I pray you will join me is to put many deposits into our church "Bank" so that our church family feels loved and supported. Over time the relationships are stronger which in turn strengthens the body of our church family.

I pray this scripture motivates you as it has me as we all serve and lend support and make deposits into our church family Bank.  
Hebrews 10:24-25

Let us consider how we may spur one another on toward love and good deeds, not giving up meeting together as some are in the habit of doing, but encouraging one another.  
I love you church family!

Special thanks to Eric, Chris and Caleb Jensen for helping with our Tuesday welcome BBQ. The Jensens can make a good burger! I counted at least 27 international students. We're off to a good start! We've got a burgers and milkshakes party tonight so keep us in prayer. Also, pray God will send us some more American students now that they are in town.
