You CAN Make A Difference!

Pick up a Mountain States Children’s Home change can today!

Mountain States Children’s Home is a great ministry in Colorado that we love to support! They extend Christian services to wounded children in an effort to meet their physical needs, heal their emotional hurts, challenge their minds, and teach them moral principles, in order to reach the goals of reuniting them with their families or preparing them for independence. This is accomplished by using a family model of care, strengthened by professional counselors and teachers.

Circle Church and the University Christian Center have served this home on Mission Trips, and they are truly worthy of our time, energy, and support. One major source of income for Mountain States Children’s Home is their change can program. Take a can from the foyer home with you, put your change in it, and bring it back in the fall. If you fill a can before they are picked up, bring it back to the church and take another one to fill!

Thank you for your support of Mountain States Children’s Home!
