July 28th, 10am: LifeLine Screening Event

On Friday July 28th, Circle is holding a heart clinic. We are hosting a Lifeline screening event for people in the Corvallis community. People can choose to receive a carotid artery screening, peripheral arterial disease screening, abdominal aortic aneurism screening, atrial fibrillation screening, or all four. These screenings provide peace of mind or early detection.

These screens are important, and they could help save the lives of at risk people in our families, church, or community. Please help us spread the word about this upcoming screening, and talk to Maria if you would like to volunteer to help with the screening at the church.

If you are interested in any of the screenings, pick up one of the pink flyers in the foyer. Online registration for appointments is required, so if you want to make an appointment, please do so as soon as possible. You can choose which screenings you want, or you can receive all 4 screenings. Medicare is not accepted, insurance is not required, and a 50% discount is available for church members, making all 4 screenings \$149.

For more information about LifeLine and its services, testimonials, or statistics, pick up a pink flyer in the foyer, or visit their website at:

UCC Work Day, Sunday, 7/15/2023, 10 am-5 pm.
Just a reminder about UCC Work day coming up next Sunday. Lunch will be provided at noon. Bring shovels, rakes, painting cloths and a paint brush (if you have them), as we will likely be painting and spreading mulch. Also, if you have a power drill or skill saw, that would help for patching holes. We will also have inside jobs.

UCC Work Day is a great way you can contribute to God's kingdom. For many, UCC is the "front door" to the Kingdom of God in Corvallis. How many people have come to know the reconciling love of Jesus Christ through UCC over the past 63 years? Many. Keeping this "front door" functional and beautiful is a great way to share the Gospel. I'm not particularly handy, so I need you to lend a hand! We are able to run UCC with an amazingly low maintenance budget of \$900/year because so many people show up and chip in. Thanks in advance!
