Take Courage!  
Women's Winter Weekend 2024 Study

Do you ever feel like the happy ending of your story is a million miles away?

Then you know how the Jewish people felt when they returned to their wrecked land after exile and began rebuilding the temple. They were distracted, discouraged, and ready to throw in the towel. But the prophet Haggai reminded them they could find courage in the God who had never left them.

At our Ladies 2024 retreat, we viewed Jennifer Rothschild's video study on the short 2 chapter book of Haggai. We learned to walk confidently in our calling, stay motivated despite opposition, and courageously invest our life in God's purposes, trusting Him for results we may never see in this lifetime. We are wrapping up this study this morning, and will be heading home shortly.

Jennifer Rothschild became blind when she was 15 years old and has experienced firsthand how God's companionship gives her comfort and confidence in every season of her life. Now more than 30 years later, as an author and speaker, she boldly and compassionately teaches women how to trust God in every season too.

UCC Lobster Valley Trip Update: Special thanks to those who came on the trip: Jibin did communion, Reuben read scripture, Jason did the prayers, Daniel lead singing, and Bo and Yousef passed communion trays. I've got some great leaders.

Lobster Valley is in a good spot right now. They have 7 kids, a few young couples, and some retired people. They are hosting a special retreat designed for their kids. What a great idea!

I've always thought a church's health is not all about numbers. It has more to do with the way it reflects, serves and evangelizes the local community. Lobster Valley has an impressive diversity of age, people are coming to Jesus there, and are very involved with missions in Myanmar and Corvallis. They are a healthy, growing, and serving church!
