The UCC building is a blessing from God, and we are stewards of this great property. I consider UCC to be the front door and parlor of our church. It's a welcoming, informal place where non-believers can come be introduced to Jesus. For many international students, a church building is a scary place because their governments have told them churches are cults. I've also had 2 American students who have difficulty stepping into a church building due to traumatic childhood experiences. That's why we are so blessed to own a building right next to campus that looks like a house, not a cathedral. So come help me steward this wonderful meeting place!

UCC Work day is August 24, 8 am-5 pm. Major projects will include replacing some siding, new boards for the fire escape, re-mulching flower beds and much more. We will have inside and outside jobs. Please bring gloves and shovels. Also, we will need a few with power drills. Hope to see you there.
