Wes and I just got back from recruiting AIM (Adventures in Missions) interns in Lubbock Texas. Nathan Odel (from Idaho) seems very interested and I think he would be a very good fit. Last year when he stepped on OSU's Campus, he knew there were many lost people here he could reach. Long term, he wants to be a minister in the Northwest and he feels he'd rather be here than anywhere else in the world. I think he's our guy. Wes was very helpful in this presentation. We got better response this year because he did a good job highlighting the way the entire congregation of Circle Church of Christ is specially positioned and trained to help college age students develop. Pray about this. AIM placement day is Wednesday. In the end, the organization chooses where the students will go, so we don't know what will happen. It's in God's hands.
