### How Are We Doing Financially?

Thank you all for caring about the financial health of our church and for wanting to know if we are meeting our budget each week. Looking at our contributions and expenses for 2026, **we are spending an average of about \$400 more per week** than we are receiving. Every week, the bulletin reports our attendance, giving, and average year-to-date giving numbers on Page 3, right underneath the Women's Corner box. You can also ask Maria for a financial report anytime. Please continue to prayerfully consider your contribution amounts.

We have raised \$5,375.49 of our \$7,500 goal for parking lot repairs. Thank you all for your generous support of this important project!

I encourage everyone to go to a Bible conference every few years. I like Pepperdine and Wes likes Faith Builders. At Bible Lectures, we learn of new ideas and programs to help us become more effective. Without this refreshment and equipment, our lives and churches will become stagnant.
